Director of Emergency Management
Marin County Office of Emergency Management
1600 Los Gamos Drive, Suite #301
San Rafael, CA 94903

Dear Steven Torrence:

The Federal Emergency Management Agency (FEMA) received documentation from the Southern Marin Fire Protection District and the City of San Rafael on October 23, 2024, confirming their adoption of the *Marin County Operational Area Multi-Jurisdictional Hazard Mitigation Plan 2023*. This jurisdiction is in conformance with the Code of Federal Regulations, Title 44, Part 201, Section 6 (44 C.F.R. 201.6). An updated list of the status of participating jurisdictions is enclosed with this letter.

The adoption of this plan ensures Southern Marin Fire Protection District and the City of San Rafael's continued eligibility for funding under FEMA's Hazard Mitigation Assistance programs, including the Hazard Mitigation Grant Program (HMGP), the Building Resilient Infrastructure and Communities program (BRIC), and the Flood Mitigation Assistance (FMA) program. All requests for funding are evaluated individually according to eligibility and other program requirements. Approved hazard mitigation plans may also be eligible for points under the National Flood Insurance Program's Community Rating System (CRS).

The *Marin County Operational Area Multi-Jurisdictional Hazard Mitigation Plan 2023* is valid for five years from the plan's original approval date, **January 31, 2024**, for all approved participants. Prior to **January 31, 2029**, all participating jurisdictions must review, revise, and submit their plan to FEMA for approval to maintain eligibility for grant funding.

If you have any questions regarding the planning or review processes, please contact the FEMA Region 9 Hazard Mitigation Planning Team at fema-r9-mitigation-planning@fema.dhs.gov.

Sincerely,
