

Southern Marin Fire District

Address Placard Ordering Form

The Southern Marin Fire District Address Placarding Program is designed to meet the specifications of the Fire Code requirements for address posting. Our goal is to uniformly comply with this requirement by selling standardized blue reflective address signs, at cost, to the purchaser. Generally, we can get a better price on the signs when bought and delivered in bulk so the ordering process may take up to six weeks after an order is placed. Once the order is received by us we will notify you that they are ready for pick up. Payment OF \$45 shall be made at the time of pick up at 309 Poplar Ave., Mill Valley (cross of Shoreline Highway).

To order your address placard, please fill in the information below. Please indicate whether you would like any of the extra features that make mounting the address placard easier.
